Please withdraw me as attorney or agent for the above identified patent application, and

- ☒ all the attorneys/agents of record.
- ☐ the attorneys/agents (with registration numbers) listed on the attached paper(s), or
- ☒ the attorneys/agents associated with Customer Number 26790

The reasons for this request are: Client has several outstanding invoices that have not been paid for an unreasonable period of time (including some from 2003) (37 CFR Sec. 10.40(c)(vi)). Client's conduct makes it unreasonably difficult (37 CFR Sec. 10.40(c)(iv)) for me to carry out this employment effectively. The client is in the process of going bankrupt and the inventors are no longer involved with the client. One of the inventors has obtained a judgment that appears to grant him at least some ownership rights and has retained separate counsel. For other matters for this client it has been difficult to determine who should provide instructions and to obtain instructions. Client's sole remaining board member (Mr. James N. Hansen) is aware of this request to withdraw and understands its implications.
